

model::Score::onNotify

```
graph LR; A[model::Score::onNotify] --> B[model::Score::handleFruit Collected];
```

The diagram illustrates a function call. A white rectangular box on the left contains the text 'model::Score::onNotify'. A blue arrow points from the right side of this box to a gray rectangular box on the right. The gray box contains the text 'model::Score::handleFruit' on the top line and 'Collected' on the bottom line.
