

model::World::resetWorld

```
graph LR; A[model::World::resetWorld] --> B[model::World::getCurrentLevel]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is filled with a dark gray color and contains the text 'model::World::resetWorld'. The right box is white with a dark gray border and contains the text 'model::World::getCurrentLevel' on two lines. The blue arrow originates from the right side of the first box and points to the left side of the second box.
